

MY WORK EXPERIENCE

My name is Pepe. I was born in Puebla, Mexico in 1990. I had my first job when I was 18 years old. I was a carpenter. The job was interesting, but my salary wasn't good. I had that job for 5 years. I arrived in the United States in 2013. My first job here was as a dishwasher in a Chinese restaurant. After a year, I started to work as a busboy. That was a fun job. In 2015, I got another job in an Italian restaurant. I was a server there for two years. But I really like to cook and I asked my boss to give me a job in the kitchen. He did and I quickly learned to make great pizza and delicious pasta. So first I was a cook and now I am the assistant chef. It's really great. I love my job.
