

Transylvanian Tour – Assignment Acts 1 and 2

Flying visit: Japan

Hello! My name's Hiro and I'm from Japan. This is my school. We go to school by car. School starts at half past eight and finishes at three o'clock, but we don't go home. After school, we go to clubs and do more lessons, sports, art and music.

I like my school. The classrooms are very big and there are no walls so we have to work quietly.

Name: Hiro
Age: 13
Country: Japan

At lunchtime we have chicken, soup and rice. We don't use knives and forks. We use chopsticks. After lunch we clean the classrooms and the toilets. We work together in teams so it's good fun.

We have playtime twice a day for 25 minutes, one in the morning and one in the afternoon. We play outside in the playground or we stay inside and read books or use the computers.
