Here \_\_ go, here \_\_ go  
Feel better now, feel better now  
Here \_\_ go, here \_\_ go  
It's better now, feel better now  
Do \_\_ remember when we fell under?  
Did \_\_ expect \_\_ to reason with thunder?  
I still remember \_\_ time was frozen  
What seemed forever was just a moment  
Hurry up, hurry up  
There's no more  
We're still worth

.....  
Shining in the dark of night  
Remember what \_\_ forgot  
I know \_\_'s a long shot  
But we're bringing it all back, \_\_'re  
bringing it all back

.....  
Shining like the stars tonight  
\_\_\_\_\_ what \_\_ forgot  
I know it's a long shot  
But we're bringing it all back, we're  
bringing it all back

Here \_\_ go, here \_\_ go  
Feel better now, feel better now  
Here \_\_ go, here \_\_ go  
It's better now, \_\_\_\_ better now  
\_\_ still remember when things were broken  
But put together, the cracks will close in  
Hurry up, hurry up  
There's no more  
We're still worth

.....  
Shining in the dark of night  
Remember what \_\_ forgot  
\_\_ know it's a long shot  
But we're bringing it all back, we're  
bringing it all back

.....  
Shining like the stars tonight  
Remember what \_\_ forgot  
I know it's a long shot  
But we're bringing it all back, we're  
bringing it all back  
\_\_\_\_ and \_\_ can have it all tonight  
So let's bring it back \_\_ to light  
Now \_\_ have another chance to fly  
Another chance to make it right

.....

Shining in the dark of night

Remember what we forgot

I know it's a long shot

.....

Shining in the dark of night

Remember what \_\_\_ forgot

I know it's a long shot

But we're bringing it all back, we're  
bringing it all back

Here \_\_\_ go, here \_\_\_ go

Feel better now, feel better now

Here \_\_\_ go, here \_\_\_ go

It's better now, feel better now

Shining like the stars tonight

Remember what we forgot

I know it's a long shot

Shining like the stars tonight

Remember what we forgot

I know it's a long shot
