

Name: \_\_\_\_\_

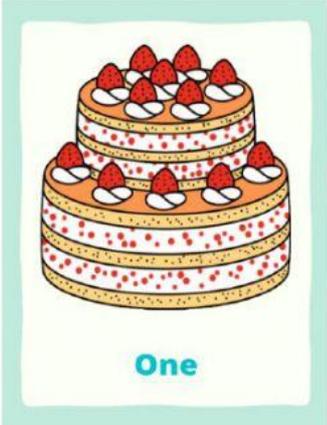

Count and choose the correct number.

four

1 5 4

This block contains a light green rounded rectangle. Inside is a white square with a light green border. The square contains four wrapped gifts arranged in a 2x2 grid. Each gift is pink with white polka dots and a blue ribbon. Below the gifts, the word "four" is written in blue. Below the white square are three teal rounded rectangles containing the numbers 1, 5, and 4 from left to right.

One

3 1 2

This block contains a purple rounded rectangle. Inside is a white square with a light purple border. The square contains a three-layered cake with white frosting, red polka dots, and strawberries. Below the cake, the word "One" is written in blue. Below the white square are three purple rounded rectangles containing the numbers 3, 1, and 2 from left to right.

Two

4 5 2

This block contains a light green rectangular frame with rounded corners. Inside the frame, there are two colorful party hats with yellow pom-poms and white scalloped edges. Below the hats, the word "Two" is written in a blue, sans-serif font. Below the frame, there are three pink rounded rectangular buttons containing the numbers 4, 5, and 2 from left to right.

Three

3 1 5

This block contains a light green rectangular frame with rounded corners. Inside the frame, there are three lit candles with yellow flames and pink and white striped bodies. Below the candles, the word "Three" is written in a blue, sans-serif font. Below the frame, there are three orange rounded rectangular buttons containing the numbers 3, 1, and 5 from left to right.

five

1 5 2

This block contains a light green rectangular frame with rounded corners. Inside the frame, there are five blue candies with white polka dots and white twisted ends. Below the candies, the word "five" is written in a blue, sans-serif font. Below the frame, there are three blue rounded rectangular buttons containing the numbers 1, 5, and 2 from left to right.
