Helping at Home

Today is Sunday. My family and I are at home, and we have different responsibilities for today. My two brothers clean their bedroom. They make their beds and clean the windows. My sister Sarah helps my mother in the kitchen. My mom is an excellent cook!

I clean the living room and the dining room. I sweep the floor and dust the furniture. But I don't clean the bathroom on Sunday, my brothers clean it.

My father washes the car every Sunday. I sometimes help my dad and he helps me with my homework. He is great!

We have a dog. Its name is Dingo. It is also a member of the family and it helps too. It takes the newspaper into the house.

We are a great family and a great team!
