

# Climate change

Match the **problems** and **things we can do** to the pictures.

## problems

- cut trees
- eating meat
- dirty rivers
- forest fires
- too many people
- animals dying
- dirty transport
- sea levels rising

## things we can do

- use public transport
- use things again
- use new lightbulbs
- pick up rubbish
- use clean transport
- plant trees
- use green energy
- turn off
