Hello, from sunny Turkey!

Right now, I am writing to you on my laptop. My father and my brother are swimming in the sea. Mum and I are building sandcastles on the beach. My friend Sam is taking photos. But we can't ride bikes or play football because it is very hot. The sun shines brightly every day. We like to lay on the beach chair. We usually have fruit, sandwiches and drink peach juice for breakfast.

In the afternoon, I sometimes go shopping with my mum. We buy different souvenirs for our relatives and friends. We don't have dinner at the hotel, because we like to go to the cafes. I like to eat grapes and drink strawberry milkshake. My father likes shrimps and drinks beer.

It's beautiful here and we are having a wonderful time.
