

## **I have a dream**

By Westlife

I have a dream, a song to sing  
To help me with anything  
If you see the of a  
You can take the even if you  
I believe in  
good in I see  
I believe in angels  
When I know the time is for me  
I'll cross - I have a dream

[Bryan:]

Oh yeah

I have a dream (have a dream),  
To help me reality  
And my makes it worth the while

Pushing through the darkness  
([Mark:] pushing through the baby)  
Still

[Shane:]  
I believe in angels  
Something good in  
([Mark:] everything I see yeah)

I believe in angels  
([Mark:] I believe in angels )  
When I know the time is right for me  
([Mark:] time is right for me)  
I'll cross the stream - I have a dream

I have a dream (oh yeah), a song to sing(song to sing)  
To help me cope with anything  
If you see the of a fairy tale  
You can take the future even if you fail (yeah yeah yeah yeah)  
I believe in angels  
Something good in I see  
I believe in angels (yeah)  
When I know the time is right for me (right for me)  
I'll cross the stream (cross the stream) - I have a dream (have a dream)  
I'll cross the stream (cross the stream) - I have a dream
