I have a dream

By Westlife

I have a dream, a song to sing

To help me with anything

If you see the of a

You can take the even if you

I believe in

good in I see

I believe in angels

When I know the time is for me

I'll cross - I have a dream

[Bryan:]

Oh yeah

I have a dream (have a dream),

To help me reality

And my makes it worth the while

Pushing through the darkness

([Mark:] pushing through the

baby)

Still

[Shane:]

I believe in angels

Something good in

([Mark:] everything I see yeah)

I believe in angels

([Mark:] I believe in angels)

When I know the time is right for me

([Mark:] time is right for me)

I'll cross the stream - I have a dream

I have a dream (oh yeah), a song to sing(song to sing)

To help me cope with anything

If you see the of a fairy tale

You can take the future even if you fail (yeah yeah yeah)

I believe in angels

Something good in I see

I believe in angels (yeah)

When I know the time is right for me (right for me)

I'll cross the stream (cross the stream) - I have a dream (have a dream)

I'll cross the stream (cross the stream) - I have a dream
