Name: _____ Date: _____

RIP Vocabulary

Directions: Dead words are words that are overused in student writing. Using a dictionary, thesaurus, or computer, replace each of the following dead words with two stronger synonyms. Remember, synonyms are words that have similar meanings! When you finish the chart, write a story using at least 10 of the new words. Underline the 10 new words used in your story. Below, number one is completed for you.

1. **Also** — in addition, furthermore	2. **Scared** —	3. **Very** —
