Too much tech!

Love it or hate it, we all use technology.
But how often do you use it?

- How many times do you **t** your friends in a day?
 - 20 or more.
 - Between 10 and 20. I sometimes **s** emails too.
 - Between 0 and 10. We usually **t** on the phone.
- Is it a good idea for kids to use phones at school?
 - Yes. You can **t** selfies with your friends!
 - Sometimes. You can **s** the Internet.
 - No. You don't listen to your teacher.
- How much time do you spend on your phone every day?
 - 5-10 hours.
 - 2-5 hours.
 - 1-2 hours.
- What do you do before you go to bed?
 - I **c** online or play computer games.
 - I **d** songs and listen to music.
 - I read a magazine or a book.

Mostly as: Be careful! Too much tech is not good for you, especially before bedtime.

Mostly bs: You use technology, but you do other things too. Well done!

Mostly cs: You don't use technology a lot. That's great, but it's OK to use it sometimes. Technology is useful!
