Exercise 5: Read the passage and answer the questions

We send young people of different nationalities on expeditions around the world. Our volunteers get the chance to work with local people to learn about different cultures.
There are ten expeditions every year. Each expedition lasts for ten weeks and takes 150 volunteers. They go to countries such as Chile, Namibia, Mongolia and Viet Nam. Some of our volunteers work with local people to provide facilities, for example, building schools. Others work in national parks or help scientists to do environmental research.
