

Applied theory: pronouns.

1. Select the option that best completes the sentence.

- a. She told ____ (I/me) that ____ (she/her) would be busy.
- b. Tell ____ (she/her) that you like (she/her).
- c. (they/them) ____ played with ____ (we/us).
- d. Mary wants to talk to ____ (he/him).
- e. Thank you for helping ____ (I/me).

2. Use the necessary pronouns to correct the following text.

My family.

I have a small family and I love spending time with my family. Sometimes, me and my family play games, when we play games, my family and I gather at the dinner table and have lots of fun, my family and I like to spend time at the dinner table. My little sister is very nice, my little sister is a student, and my little sister likes to play any sport with my father, my father likes to play sports with my little sister. My mom has a sister and other times, the sister of my mom and her family come to visit me and my family to have dinner at home.

I really like my family.
