

## TAKING NOTES ON MAIN IDEAS

### WHILE LISTENING

- 3  1.5 Listen to the presentation about the film industry and take notes.  
List the countries where the United States makes films and the reasons why.

| Countries | Reasons                           |
|-----------|-----------------------------------|
| 1         | discount on labour<br>tax credits |
| 2 Mexico  |                                   |
| 3         | tax -<br>great locations          |
| 4         |                                   |

4  1.5 Listen to the presentation again. Number the statements in the order they are discussed. Then listen again and check your answers.

- a Hollywood itself has become more multinational. \_\_\_\_\_
- b Films made in Mexico are considered exports. \_\_\_\_\_
- c Canada is sometimes called 'Hollywood North'. \_\_\_\_\_
- d Another popular area for filming is the Middle East. \_\_\_\_\_

## LISTENING FOR DETAIL
