Hello my friend,

Are you Okay? I'm really happy to write to you.
Last Saturday, I watched a documentary on TV about two Peruvian inventors; Victor Barraza and Ruth Manzanares. They are great and their inventions are really useful for everyday life. I want to buy the eco-friendly Jako bike and use the eco-friendly pen.

What about you? What inventions do you use in your everyday life? How are your mother, dad, brother or sister?
Take care,
Fernando
