5
<u>6</u>
<u>7</u>

- a) All the best,
- b) Hope to hear from you soon. I hope you're enjoying your new plastic made from banana peels, and I can't wait to meet up very soon!
- c) Hi Alicia,
- d) My favorite invention is a bicycle. I can ride it wherever I want, at any time. Definitely, it could solve the problem of the lack of transport here in Ite.
- e) Thanks for your email – it was great to hear from you. It's good news that you invented plastic made from banana peels. Congratulations!
- f) I have a couple of questions. What is your favorite invention? And What is the problem that your favorite invention solves?
- g) Irene

3. Read this email and drop the information included in the email.

Friend's name	My name	Mention next time to see a person	Make interesting questions
Include specific details	Mention the email received	Phrase to end	

To : anyone@gmail.com
Subject : My favorite invention

Hi Alicia,

Thanks for your email – it was great to hear from you. I'm sorry I haven't written for a while, but I've been really busy preparing for my exams. It's good news that you invented plastic made from banana peels. Congratulations!

My favorite invention is a bicycle. I can ride it wherever I want, at any time. Some people walk for hours to get to their jobs or to school. Definitely, it could solve the problem of the lack of transport here in Ite.

I have a couple of questions. What is your favorite invention? And What is the problem that your favorite invention solves?

Hope to hear from you soon. I hope you're enjoying your new plastic made from banana peels, and I can't wait to meet up very soon!

All the best,

Irene
