A thousand years- Christina Perri

Heart..... fast
Colors and promises
How to be .....
How can I love when I'm ..... to fall
But watching you..... alone
All of my ..... suddenly goes away somehow
One step closer
I have ..... everyday waiting for you
Darling don't be afraid I ..... loved you
For a thousand years
I'll love you for a thousand more
Time ..... still
Beauty in ..... she is
I will be brave
I will not let anything ..... away
What's standing in front of me
Every .....
Every hour ..... come to this
One step closer

I have..... everyday waiting for you
Darling don't ..... afraid I have loved you
For a thousand years
I'll love you for a thousand .....
And all along I ..... I would find you
Time has ..... your heart to me
I have ..... you for a thousand years
I'll love you for a thousand more
One step closer
One step closer
I have died everyday waiting for you
Darling don't be afraid I have loved you
For a thousand years
I'll love you for a thousand more

And all along I believed I would find you

Time has..... your heart to me
I have ..... you for a thousand years
I'll love you for a thousand more...
