Name:_____ Class: _____ No:_____

Countable nouns / Uncountable nouns

Countable nouns- are for things we can count using numbers; items that can be counted, even if the number might be extraordinarily high.

For example:

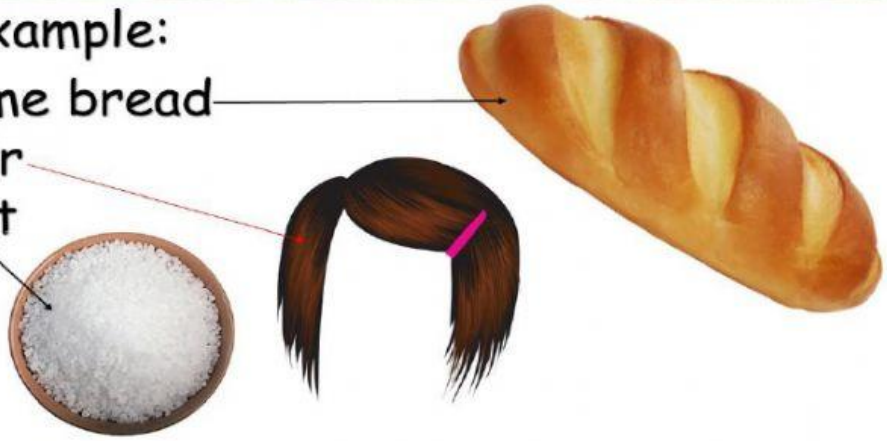

- a slice of bread
- an apple
- two melons

Uncountable nouns- are nouns that come in a state or quantity that is impossible to count; cannot be counted.

For example:

- some bread
- hair
- salt
