Where Do Your Eyes Come From?

The color of your eyes and your hair come from your family. We call them family traits. How tall you are, the shape of your face, and even the shape of your ears are all family traits.

You inherit other traits from your family, too. For example, how do you fold your hands? Do you cross your right thumb over your left thumb? Or do you cross your left thumb over your right thumb? Now ask your parents to fold their hands! It's fun to look at these traits with your family and friends. Try it!
