3 Read the sentence below from the interview with Rashed Al Shamsi.

It's a really good way to encourage teenagers to get out and explore rather than stay in on the sofa!
Use **rather than** to write sentences that are true for you. Look at the example first to help you.
go to the cinema/watch films on TV → *I usually watch films on TV rather than go to the cinema.*

a read a book /go to the cinema

b surf the net/go to the library

c chat on my phone/meet my friends

d play sports/watch sports on TV

e have a picnic/go to a restaurant
