Bored of playing the same sports? Want to try something different?
Check out some fun and unusual sports!

Synchronized Swimming

The perfect sport for people who like doing gymnastics, dancing and swimming. It looks easy at the Olympics, but to be good at it, swimmers need to practice twice a week or more.

Muggle Quidditch

A magical game where players run with a ball while holding a stick or broom between their legs. In 2005, a group of students changed the game from the famous *Harry Potter* books so humans could play it. Now, it is a popular sport across the world!

Dog Agility

A great way to be active and have fun with your pet. In this exciting sport, you learn to be patient and think in a positive way. Many clubs now have classes only for kids.
