

IDENTIFYING LINE OF SYMMETRY

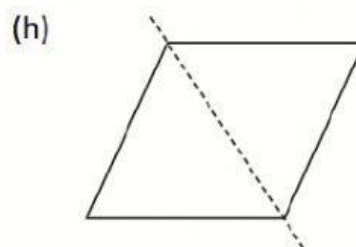

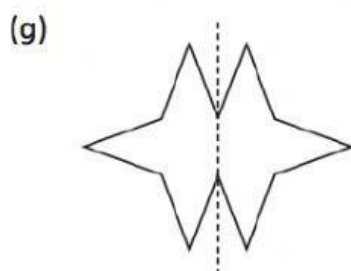

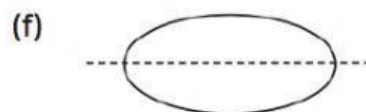

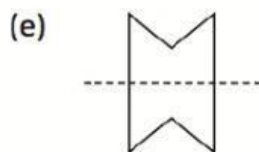

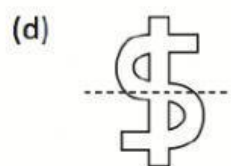

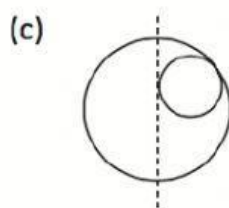

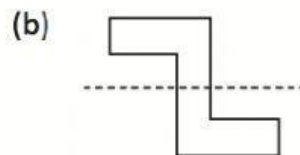

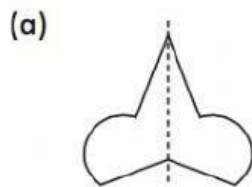

LEARNING OBJECTIVES:

- To determine the line of symmetry (if any) of a given figure
- To determine if a figure has more than 1 line of symmetry

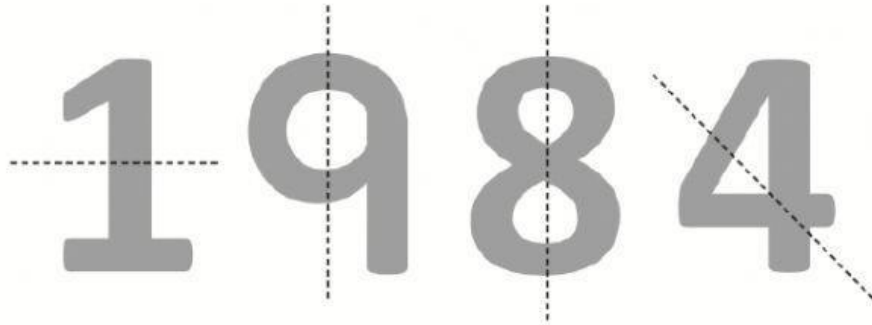

IS THAT A LINE OF SYMMETRY?

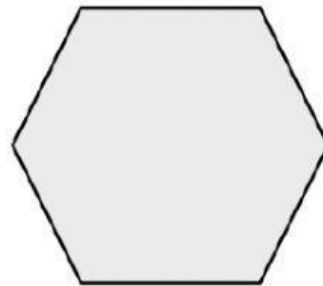

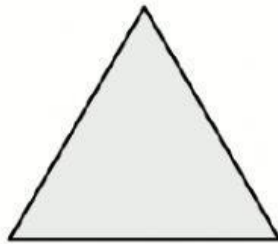

1. Is the dotted line in each figure a line of symmetry?
Tick (✓) the figure with the line of symmetry.

2. Brunei gained independence in 1984.
Tick the number that has a line of symmetry.

3. Draw the lines of symmetry for the figures below.
Then, fill in the blanks.

_____ lines of symmetry

_____ lines of symmetry

HOW DO YOU FEEL ABOUT TODAY'S LESSON?

Write your name in the box you have chosen.

 I understand and I can do it on my own	 I do not really understand and I need more practice.	 I really need help
