

I **need/love** somebody
(Help!) not just **somebody/anybody**
(Hello!/Help!) you know I need someone
Help!

I never **needed/need** anybody's help in any way
But now these **nights/days** are gone, I'm not so self
assured (but now these days are gone)
(And now I find) Now I find I've changed my mind and
opened up the **windows/doors**

Help me if you **could/can**, I'm feeling down
And I do appreciate you being '**round/human**
Help me get my **shoes/feet** back on the ground
Won't you please, please help **you/me**?

And now my **work/life** has changed in oh so many
ways (and now my life has changed)
My **independence/image** seems to vanish in the haze
But every now and then I feel so **insecure/happy** (I
know that I)
I know that I just need you like I've never done
before/after

Help me if you can, I'm feeling down...

When I was younger, so much younger than
today/yesterday

I never needed anybody's **money/help** in any way
But now these days are **back/gone**, I'm not so self
assured (but now these days are gone)
(And now I find) now I find I've changed my **mind/lock**
and opened up the doors

Help me if you can, I'm feeling down...
