Power Up! Test Practice

25. About 24.8 million people live in Texas. About 0.6 million people live in Vermont. How many times as many people live in Texas than Vermont? Round to the nearest tenth if necessary.

26. The table shows the time it took several members of a cycling club to bike different distances. Sort the cyclists from least to greatest unit rate.

Member	Distance (mi)	Time (min)
Ahmad	5.8	23.2
Khalid	7.2	40
Ali	6.25	31.25
Yousef	6.75	28.125

	Cyclist	Rate (km/min)
Least		
Greatest
