My name is Karina. I'm 12 years old. my hobby is cycling. I really like getting around by bicycle. but lately the weather is not favorable for me to ride a bicycle. it rains quite often and heavily. I was very upset that my mother didn't allow me to ride a bicycle. Mother said that the road was slippery, not good for playing. however, today I was allowed to ride my bike again. Mom said that the weather today is pretty good so there's nothing to worry about. The sun is shining very bright today! I'm very happy
