Hi guys!

How are you? My name is Mike and I am 11 years old. I live with my mum and dad in North Carolina. I also live with my big brother, John, he is 15 years old.

We go to a different school now but we like it! On Mondays my brother and I get up at 6 in the morning to have breakfast. My brother makes the toasts and I make the orange juice for us. We take the bus at 7 in the morning. We finish school at 12 o'clock.

We go back home with John. My mum cooks lunch for us and we have lunch all together.

In the afternoon I do my homework. John doesn't do his homework. He plays video games in the afternoon.

In the evening, at 8, we go to the living room to make robots, we love creating robots. My favourite subject is ICT.

What is your favourite subject?

Write to me,
Mike.
