Writing a postcard

Drag and drop the different parts of the card on the right place.

Fais glisser les différentes parties de la carte et dépose-les au bon endroit.

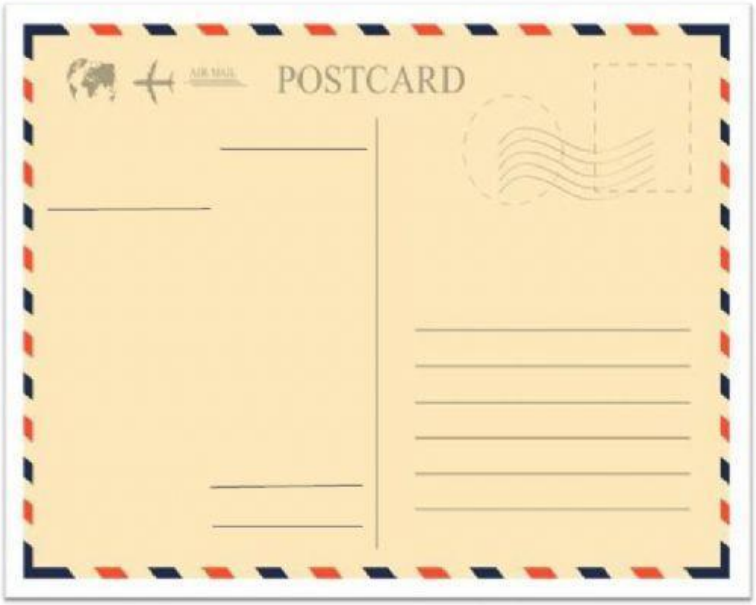

How are you? I've been in the USA for a week now. We've visited New York of course. My dad has eaten hot dogs every day. We have been to the zoo. I have seen tigers. They were beautiful. It has rained every day so we have carried our umbrellas everywhere. But we have had a lot of fun anyway.

Love,
Ben
