Hi! I'm Jenny! I live in London with my mum and my sister.
In London it rains a lot. We are in winter now, so it is very cold and it rains all the time. The sky is cloudy and the sun is not that strong. There are a lot of buildings here in London. There are some trees too.
Luckily, my house is very warm. There are three bedrooms, one for me, one for my mum and the other one for my little sister. There is a small kitchen near the living room. There are two bathrooms. We have a big garden too. We don't have a car so there isn't a garage.
I like my house! And I like living in London.

What about your house?
How many rooms are there?
