Part 2: Occasions to buy gifts & presents

Birthdays	For family members, friends, colleagues
Religious holidays	Tet, Christmas, Chinese New Year,
Anniversaries	Wedding anniversary,
New life stages	Graduation, House-warming, Wedding, New-born babies
Special Days	Father's day, Mother's day, Children day
No occasions	Random acts of kindness can be the most thrilling: leaving something thoughtful on a colleague's desk, sending a book to a long-distance friend, showing up with flowers for no reason except that they were beautiful and you wanted to share that beauty with someone else.
