Dear Marcos,

Hi, my name is Rebecca and I am your new pen friend. I'm ten years old, and I live in Barcelona, Spain. I go to the 4th grade in Saint Michael Elementary School. On weekdays, I get up at 6 o'clock. The school starts at 7:30 in the morning. I have my lunch at the school cafeteria and I usually leave around 3:30 in the afternoon.

I like math, history and geography, but my most favorite subject is science. I like playing basketball and soccer. I also play tennis, and I like swimming. On the weekends, I go to the movie with my friends. We like action movies. I usually go to church with my parents on Sundays.

Please write and tell me about you and your life. What's your family like? What do you like doing in your spare time?

I hope to hear from you soon.

Best wishes,

Rebecca
