Letter Comprehension

Read the letter and attempt the exercises given:

Dear Frida

I wanted to let you know how much I love Third Grade at St. Martins. We've had so much fun here. We get to read lots of books and take tests on the computer. We also play a lot of games while learning Maths.

My favourite time is when I'm working on online projects. Recently I took part in our Annual Day. It was such a great experience.

Could you also share your experience of online schools ? Have you also participated in any online event of your school? Do tell me about it. I know you're also not able to go to school because of Covid 19, in your country, India.

I wish you could come to my school to study. We could work on projects together.

Love

John

1. *What does John love ?*

a) Ice Cream b) third grade c) toys d) bags

2. *We have so much fun here because we get to read lots of books.*
