The Best Place to Travel

If you want to find the perfect place to travel, you have to think about where to rest and where to eat. I know the best place to travel, The Bear Hotel, that hotel is a little expensive but it has a great restaurant, you can find all kinds of fruits there like pineapples and strawberries, but they do not have grapes.

I was there with my family yesterday, it is a beautiful place, the food is cheap and delicious, my stepsister did not like the beans, my aunt loved the rice. That hotel has a hospital in if you need it, my nephew had an accident and broke his leg, so the hospital was really useful.
