

## CARMEN'S FAMILY

I enjoy doing sports and exercises because it keeps me fit and it keeps my mind relaxed. I prefer doing indoor and team sports.

My favourite sport is fencing and I practise it two or three times a week. You need masks, gloves and swords. I love this game because I met my friends and we enjoy together. I enjoy doing water polo since I can remember. Also, I don't like gymnastics because I need to be flexible, strong and have very good balance. This sport is not for me...

My brother's favorite sport is tennis. To do this sport you need a racket and a ball. He hates my favorite sports, but it's okay to be different. My sister would like to do badminton and she needs a racket and shuttlecock. In my opinion, it is a very strange sport. But Mom loves going to her competitions. However, Dad doesn't like sports at all. He prefers to eat and sleep. How boring and unhealthy!
