PRESENT PERFECT QUESTIONS ; PRESENT PERFECT VS PAST SIMPLE

The **PRESENT PERFECT** always connects the past and the present.

1

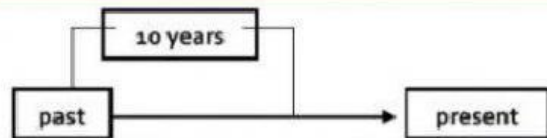

• **UNFINISHED ACTIONS** (these started in the past and continue up to the present)

• *I **have lived** in London for 10 years.* (= I still live in London now.)

The **PAST SIMPLE** tells us only about the past.

• **FINISHED ACTIONS** (for something that started in the past and finished in the past)

• *I **lived** in Manchester for 10 years.* (= I do not live in Manchester now.)

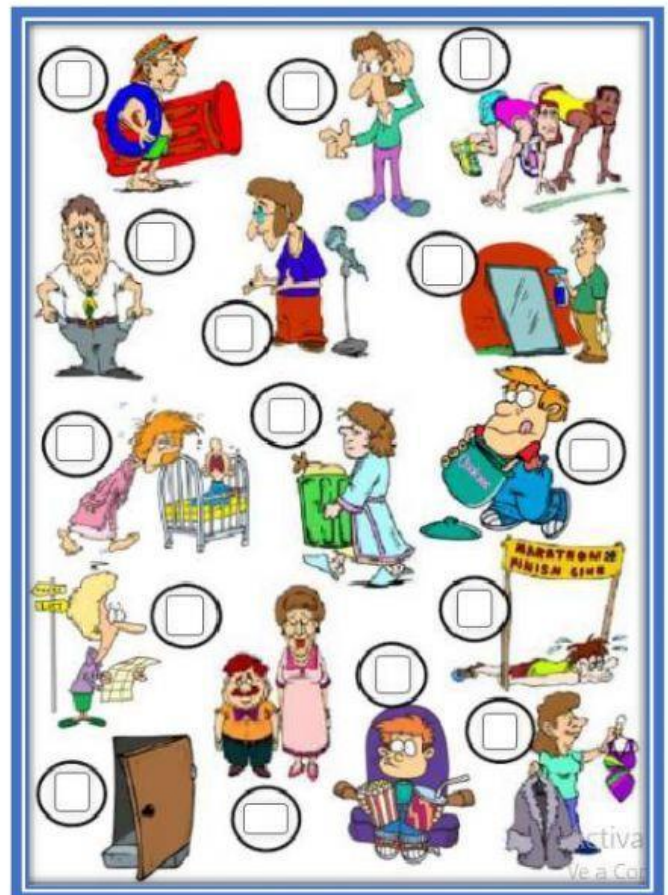

2

• **INDEFINITE ACTIONS:** with no time reference or references to recent time - these put **emphasis on the action** and usually have a **result in the present**.

• **DEFINITE ACTION:** we use a definite past time, like **yesterday, 5 days ago, last month...** to say or imply **WHEN** something happened.
