Dua (meaning 'love' in Albanian) Lipa was born on August 22nd, 1995, in London, but her parents are from Albania. They arrived in Britain in 1992 escaping from a war in that country. Dua has got a brother and a sister. After Mr and Mrs Lipa studied, got jobs and made this family, they returned to Albania with their children in 2008, where Dua, an 11-year-old girl, wanted to join her school choir (a singing group). But her music teacher told her she couldn't sing because her voice was not very clear.
Dua wanted to make a career in the world of music, so she moved back to London where she practised singing by listening to her favourite singers on You Tube and uploaded her own videos. Three years later an important record company offered her a contract and she became a full-time musician.
