Hi Fran

How are things? I'm on holiday here in Italy with my mum, dad and sister. We're in a place called Rimini. It's very hot here, so I'm sitting in an internet cafe having a mango juice. Tina's swimming in the sea at the moment. The beach is really nice, but it's quite busy. I prefer to go there in the evening and play football. Tomorrow I want to go into town. I think there are some surf shops there.

I hope you're having a good time.

See you soon

Greg
