PPCT SONG	What has he been doing?
watching - playing – meditating - walking	Tears on his cheek
talking - baking – playing - digging	He has been a really sad movie
running - decorating - having - eating	
	What has she been doing?
What has she been doing?	Dirt on her hands
She looks so calm	She's been the ground in her allotment
She has been with candles on.	
	What has he been doing?
What have they been doing?	Crumbs around his lips
Boots caked in mud	He's been cookies with chocolate chips
They have been in the ancient woods.	
	What has she been doing?
What has he been doing?	All out of breath?
Flour everywhere	She has been for the bus that has just left
He has been a cake for us to share	
	What has she been doing?
What has she been doing?	Paint on her top
Sweat on her brow	She has been and she has just stopped
She's been football	
And she's just finished now.	What have they been doing?
	They look so tense
What have you been doing?	They have been a massive argument
What has he been doing?	
Is the present perfect continuous	What has he been doing? He looks so tired
What have they been doing?	He's been computer games the last few hours
What has she been doing?	
So come us, sing with us	What has he been doing?
(chorus)	A smile on his face
	He's been to his girlfriend and now he feels great
