

# Practice 1. Mathematics Grade 1

Bismillahirrahmaanirrahim

Read the instructions well to answer correctly.

1) Type the missing numbers.

a)

4 and \_\_\_\_\_ make 9.

b)

\_\_\_\_\_ and \_\_\_\_\_ make 7.

2) Type the missing numbers.

a)

c)

3) Is this correct? Choose 'YES' or 'NO'.

YES

NO

4) Write the missing numbers.

a) Mother buys 6 apples and 2 mangoes.

How many fruits does mother buy altogether?

$$\boxed{\quad} + \boxed{\quad} = \boxed{\quad}$$

Mother buys \_\_\_\_\_ fruits altogether.

b) There are 5 boys and 2 girls.

How many children are there altogether?

$$\boxed{\quad} + \boxed{\quad} = \boxed{\quad}$$

There are \_\_\_\_\_ children altogether.

b) Hasan has 4 erasers.

He buys more 3 erasers.

How many erasers does he have altogether?

$$\boxed{\quad} + \boxed{\quad} = \boxed{\quad}$$

Hasan has \_\_\_\_\_ erasers altogether.

c) Mom buys 3 apples, 2 oranges and 1 mango.

How many pieces of fruit does she buy in all?

$$\boxed{\quad} + \boxed{\quad} + \boxed{\quad} = \boxed{\quad}$$

Mom buys \_\_\_\_\_ pieces of fruit in all.

d) Kamila bakes 4 chocolate muffins, 3 vanilla muffins and 2 banana muffins.

How many muffins does she bake in all?

$$\boxed{\quad} + \boxed{\quad} + \boxed{\quad} = \boxed{\quad}$$

Kamila bakes \_\_\_\_\_ muffins in all.
