	Matemática – Profª. Ana Lucia Maia	
	Atividade: Contínua **Data: 12/11/2021**	
	Nome **7º ano**	

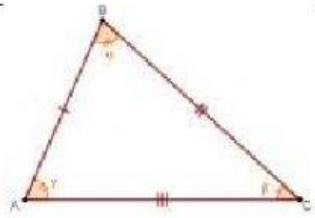

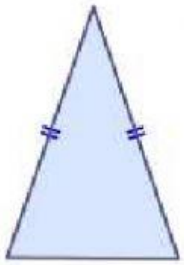

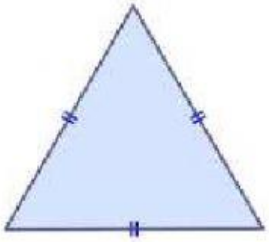

1) Assinale qual das imagens não é classificada como polígono:

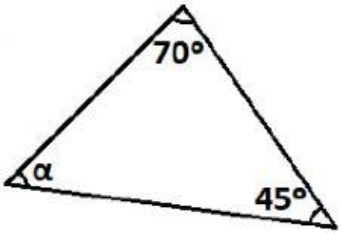

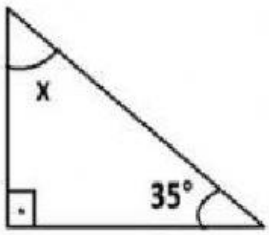

2. Classifique as imagens abaixo como polígonos convexos ou polígonos não convexos:

2) Classifique os triângulos em Equilátero – Isósceles – Escaleno:

		

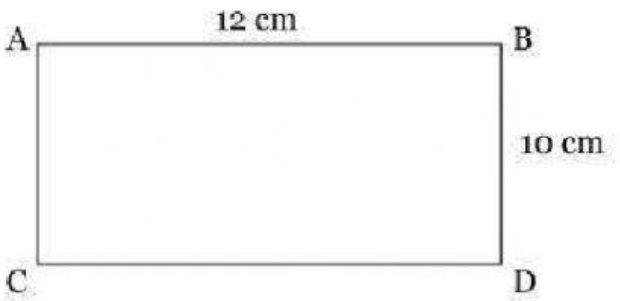

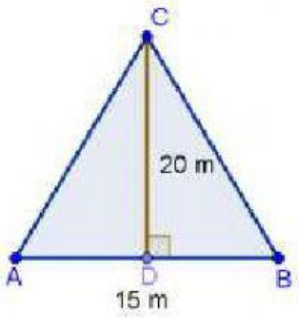

3) Calcule a medida do ângulo interno dos triângulos marcados com incógnita:

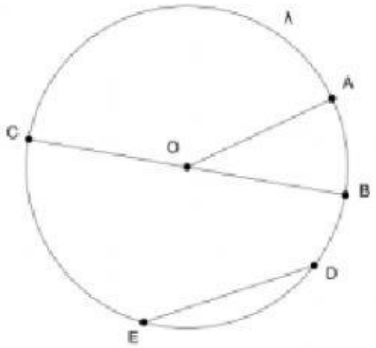

LIVEWORKSHEETS

4) Calcule a área dos seguintes polígonos:

5) Observe a imagem abaixo e identifique os elementos solicitados (centro – corda – raio – diâmetro)

O =

OC =

CB =

OB =

6) Escreva **dois objetos** do seu dia a dia, que podem ser usados como exemplos de:

Circunferência	
Circulo	

LIVEWORKSHEETS
