## Anna (Go to Him) (The Beatles)

Anna	Anna
You come and ask me, girl	Just one more thing, girl
To set you free,	You give back your ring to me
You say he loves you more than me	And I will set you free
So I will set you	Go with him
Go with him (Anna)	
Go with him (Anna)	All of my life
	I've been searchin' for a girl
Anna	To love me like I love you
Girl, before you go now	But let me tell you now, but every girl
I want you to know now	I've ever had
That I still you so	my heart and leaves me sad
But if he loves you more	What am I, what am I supposed to do?
Go with him	
	Anna
All of my	Just one more thing, girl
I've been search <u>in' f</u> or a girl	You give back yourto me
To love me like Iyou	And I will set you free
Oh, now, but every girl I've ever had	Go with him (Anna)
Breaks my heart and leaves me sad	Go with him (Anna)
What am I, what am I supposed to do?	You can go with him, girl (Anna)
	Go with him
