

FOLLOW YOUR RAINBOW

Who am I to advices
 I nobody but take a listen
 Just like everybody else I've got a story
 I know how to say it nice
 I shine it up and make it glisten
 All I know is that believing and It's reassuring

When I was out, when I down
 Somebody told me something
 So simple but I followed it till this

Hey! Go your rainbow!
 (go follow your rainbow!)
 Hey! Don't believe when they say no! Say no!
 (when they say no, no)

Hey! Go follow your !
 (now don't you believe, don't you believe 'em)
 Hey! Don't when they say no!
 Say no!

I know what you might be thinking
 That will never work for me
 To young - to to poor

Hey! Go follow your rainbow!
 (and you'll find your pot of gold)
 Hey! Don't believe when they say no! Say no!
 (don't you believe, don't you believe it)

Look deep inside your
 Well what do you see?
 Are you finally ?
 If you only take a chance

Now who am I to give advices
 I'm nobody but you listen
 Cause I'm the little voice inside your head

Hey! Go follow your rainbow!
 (go follow, go follow your rainbow!)
 Hey! Don't believe when they say no! Say no!
 (when they say no, don't you believe 'em)

Hey! Go follow your
 (and you'll find your pot of gold)

Don't you
 Don't you believe in

Don't you believe
 Don't you believe in

Who am I to give advice
 I'm nobody but you better
