## MORNING ROUTINE

Hello, my name is Mark. I am Irish.

I love my morning routines. I usually get up at 8:00 in the morning. It’s not hard because I am not lazy in the mornings. I usually have a shower and I get dressed. I don’t usually spend a lot of time deciding what to wear.

Then, I go to the kitchen and I prepare breakfast for Ann, Paul and I. We usually eat a ham sandwich, biscuits, toast with butter and jam. Also, I usually drink a glass of coffee with milk. After breakfast, I brush my teeth, I wash my face and my hands and I comb my hair.
My wife, Ann goes to school and I wake my son up. Paul is very lazy in the morning. He gets dressed and he eats his breakfast. Then I go with him to school. We go to school on foot.
I go back home and I start writing. I usually write in the living room from 9:00 to 1:00. I love writing when I am home alone.
