there is a light that never goes out

the smiths

Take me out tonight
Where there's music and there's people
And they're _____and alive
_____in your car
I never, never want to go home
Because I haven't _____one
Anymore

Take me out tonight
Because I want to _____people
And I want to _____ life
Driving in your car
Oh, please don't _____ me home
Because it's not my home, it's _____ home
And I'm _____ no more

And if a _____bus
_____ into us
To _____ by your side
Is such a _____way to die
And if a ten ton truck
_____ the both of us
To die by your side
Well, the _____, the privilege is mine

Take me out tonight
Take me _____, I don't care
I don't care, I don't care
And in the _____underpass
I thought, "Oh God, my chance has come at _____"
But then a strange _____gripped me
And I just couldn't ask

Take me out tonight
Oh, take me _____, I don't care
I don't care, I don't care
_____in your car
I never, never want to go home
Because I haven't got one, la-di-dum
Oh, I haven't got one
Oh, oh

And if a _____ bus
Crashes into us
To _____by your side
Is such a _____way to die
And if a ten ton truck
_____the both of us
To _____by your side
Well, the pleasure, the privilege is mine

Oh, there is a light and it never goes out
There is a light and it never goes out
There is a light and it never goes out
There is a light and it never goes out
