BLOG

I'm Katie and this is my new blog. It's about me, my life and all my favorite stuff.
I'm from Wales. My mom's from England, but my family live in Cardiff, the capital of Wales.
Wales and England are both part of the UK, of course!
I'm 19 and I'm a student at the Royal College of Music in London. I like all types of music.
My favorite band is Put This – that's the name of the band. They're Canadian, but they aren't very famous! My ambition is to be a singer in a band.
My favorite movie actor is George Clooney. I know he isn't that young, but he's a great actor.
He's really cool. In my room, there's a lot of stuff all over the place.
There are my favorite books on the bookshelves (I love romantic stories!), and there are DVDs of my favorite films. There's my laptop on the desk, but there isn't a TV. The TV is in the living room. There are lots of photos of my favorite singers on the walls.
Anyway, that's all for now...
