

# Regions of the United States

## Lesson 2 Worksheet

Identify the areas and the things that you would find in these areas. Using the word bank.

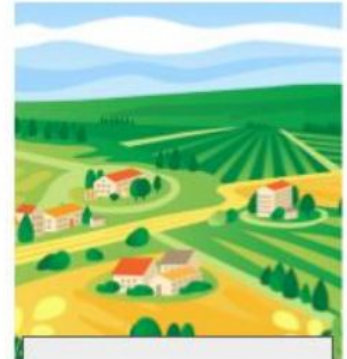

---

---

---

---

---

---

Urban, City, Suburban, Rural, tall buildings,  
houses, farms with animals, smaller town, agricultural

**Read the lesson again and use the words from the word bank to answer the questions.**

Both natural and \_\_\_\_\_ features are used to divide the United states into regions. \_\_\_\_\_

Human features include religion and \_\_\_\_\_ .  
\_\_\_\_\_ is the business of farming.

The \_\_\_\_\_ is the way the people of an area choose to use the areas resources.  
\_\_\_\_\_

Economy  
Agriculture  
Human  
Language

**Use the map from page 44 to help answer the following.**

What are the 4 regions from the United States?
