## A Pet Pig

Do you want an unusual pet? How about a pig? People don't usually know much about pigs and there are many myths about them. According to one myth, pigs are <sup>1.</sup>  (clean) as other domesticated animals, so they mustn't walk on your rugs or sit on your chairs. Another myth is, pigs are <sup>2.</sup>  (clever) as other pets and you can't teach them anything. But these myths are false. Pigs are actually <sup>3.</sup>  (intelligent) than many pets and they like being clean, too. Pigs love people. In fact, they are <sup>4.</sup>  (friendly) as cats and dogs. You can even take pigs for a walk. They are <sup>5.</sup>  (fast) as dogs when they walk because they haven't got long legs, but you can teach them to walk next to you. You can't find a <sup>6.</sup>  (good) pet than that!
