# THE BERLIN FESTIVAL

Founded in 2005, the Berlin Festival **draws** music fans from all over the world to listen to the best in electronic pop. The **site** of the festival is the old Berlin airport. It is a big open space where people can party all night long. Germany has always been the center of techno. The **pioneers** of this music form, Kraftwerk, were a German group from the 1970s. They were one of the first groups to record songs with no traditional instruments, only electronic ones. Today, German groups continue to rock the **crowds** with these futuristic sounds. The festival is a welcoming place for kids as well as adults. **There are** magicians, street artists and acrobats to see when there are no groups on the **stage**. The only problem for visitors is that there are no **camping facilities** at the festival. Visitors have to stay in hotels, which means that it can be expensive to visit.

1. The year that the Berlin Festival started
2. The type of music that they play at the festival
3. The location of the Berlin Festival
4. A famous band from Germany
5. Other attractions at the festival
6. The type of accommodation at the festival
