

# COULD

1. Answer:

a. Do you think recycling is important? Why?

b. What do you have to do in your school to motivate your classmates to recycle?

2. Write a list of materials you could recycle in your school.

3. Write sentences about ways of recycling and help the environment at school. There is an example at the beginning. Remember use "could".

Example: We could recycle paper in my school.

a. \_\_\_\_\_

b. \_\_\_\_\_

c. \_\_\_\_\_

d. \_\_\_\_\_
