3. Match the halves of the sentences.

CHORUS

What are the chances
Like two in a million,
That I could have found you,
Like two in a million,
What are the chances?

like once in a life
put my arms around you
like once in a life
that we'd end up dancing?

4. Listen and choose the correct option.

What if I _____ for your name?
And time _____ when you said it to me?
