Lesson 5: A new school

Activity 5 Writing

Write five sentences to describe your school.
Use the words in the box and the descriptions in Activity 3 to help you.

The school buildings have two floors. The **classrooms** are all on the ground floor. You can see trees from the windows. Students can go from one classroom to another by walking across the ① bridge between buildings.

When the weather is nice, students can use the ② outdoor classrooms. There is also a school ③ farm with chickens and goats. There is a small vegetable garden, too.

There is a large ④ parking area for teachers and parents to park their cars. There is also a bike rack for people who ⑤ cycle to school.
